

## How does Skip-A-Payment work?

You may use skip-a-payment once every 12 months during the term of your loan. For your convenience, you can choose the month that works best for you. If you have more than one qualifying loan you may request to skip a payment on each loan. To skip your payment:

- Complete the skip-a-payment amendment below. Please note, both the primary member and coborrower/co-signer (if applicable) MUST sign the form.
- 2. There is a processing fee of \$35.00 for each loan payment you choose to skip. Skip payments not approved will not incur a processing fee however skip a pay that has already been processed will not be refunded. Please pay cash or complete the authorization to deduct the fee from your account.
- 3. All request forms must be received at least 15 days before payment is due, but preferably 30 days before the due date. Mail your form and payment/authorization to:
